Dear Josh:

Many thanks for your note.

I know that Ted Craig has followed through and that we are at least getting things started. He tells me that he is going to be back with you in January.

I don't have any copy of the entire Business Week issue, although we had some copies of the article run off and I am attaching one herewith.

My best to you and Marguerite for a wonderful holiday season.

Sincerely,

A handwritten signature in dark ink, appearing to read "Tom", written over a horizontal line.
